1                   NATALIE HARP: But we begin tonight  
2 with what it really means to be a Trump  
3 supporter. You know, we often hear, especially  
4 from those running for office, what makes them  
5 the most pro-Trump candidate is that they're most  
6 America first. They'll fight harder for free and  
7 safe elections, to finish the wall, hold China  
8 accountable, create jobs, smart trade, stand with  
9 Israel, and so on. But really, those are  
10 policies, platforms and, yes, beliefs.

11                  But what makes one a real Trump  
12 supporter and really just a proud American? It's  
13 the courage not just to have those beliefs but to  
14 stand by them, and it's a courage that is  
15 becoming a rarity in today's world where  
16 popularity is deemed to be more valuable and  
17 going viral is a commodity to be treasured above  
18 any price, which Tom Brady is experiencing for  
19 himself after delivering these remarks at the  
20 White House this week.

21                  (Video plays)

22                  TOM BRADY: A lot of people, you know,  
23 think that could have won and, in fact, I think  
24 about 40 percent of the people still don't think  
25 we won.

Page 3

1 PRESIDENT BIDEN: I understand that.

2 TOM BRADY: You understand that, Mr.  
3 President?

4 PRESIDENT BIDEN: I understand that.

5 TOM BRADY: Yeah.

6 (Video ends)

7 NATALIE HARP: Don't know how much the  
8 Tampa Bay Buccaneers would have appreciated  
9 winning the Super Bowl and leaving the field only  
10 to have NFL officials add time to the clock,  
11 invite the Kansas City Chiefs back on the field  
12 to score touchdown after touchdown and then  
13 release the results, not just the day after, but  
14 several days after the game itself with replay  
15 review being called Super Bowl denialism.

16 But that aside, it's the reaction to  
17 Tom Brady's remarks that, regardless of his  
18 motive in delivering them, says it all as  
19 Maricopa County Recorder Stephen Richer retweeted  
20 the video, the Lincoln Project created an ad of  
21 it, and Dan Rather tweeted this: "Got to  
22 confess. Didn't have Tom Brady trolling Donald  
23 Trump at the White House on my July bingo card."

24 Of course, then there were the articles  
25 with Jonathan Chait of "New York Magazine"

Page 4

1 writing, "It was a scene straight out of a Donald  
2 Trump nightmare, and quite possibly, the worst  
3 day of Donald Trump's life."

4 And not to be outdone, Annie Linskey of  
5 "The Washington Post" took to rebranding Tom  
6 Brady from the Trump supporter of the lamestream  
7 media used to slam him for being to, well, listen  
8 to this:

9 "As the U.S. Marine Band played, 'We  
10 are the Champions' on the South Lawn of the White  
11 House, real-life Super Bowl champion Tom Brady  
12 stood near President Biden on Tuesday, both of  
13 them wearing sunglasses and grins."

14 Ah, finally, Tom Brady is part of the  
15 in group, not because of who he is, but because  
16 of who the lamestream media sees him as turning  
17 on.

18 And guess who else is the latest  
19 champion to join the club? Former Senator Bob  
20 Dole, who in honor of his 98th birthday, spoke  
21 out in an interview with Susan Page of "USA  
22 Today," saying about President Trump:

23 "He lost the election, and I regret  
24 that he did, but they did. He had Rudy Giuliani  
25 running all over the country claiming fraud. He

Page 5

1 never had one bit of fraud in all those lawsuits  
2 he filed and statements he made," adding, "I'm a  
3 Trumper," but also clarifying elsewhere in the  
4 conversation, "I'm sort of Trumped out, though."

5 And surprise, surprise, guess who likes  
6 Bob Dole now? Democratic Congressman Ted Lieu,  
7 who tweeted, "Thank you Bob Dole for telling the  
8 truth."

9 With Maricopa County Recorder Stephen  
10 Richer also chiming in by tweeting out Bob Dole's  
11 remarks, as if somehow since Bob Dole said it, we  
12 suddenly won't believe our eyes or ears anymore  
13 about what's coming out of the Maricopa audit.

14 Fat chance that's going to happen.  
15 Over eight months into this, it hasn't worked so  
16 far, as we've been subject to phase after phase  
17 of the great disinformation and really propaganda  
18 campaign around the 2020 election. But the fact  
19 is, even as the lamestream media runs with this  
20 kind of stuff 24/7, no one's really watching  
21 anyway because we're tuning them out.

22 Hey, we're even tuning Joe Biden out  
23 with the Wednesday's CNN Town Hall averaging just  
24 1.5 million viewers, compared to President  
25 Trump's June 30th Town Hall with Sean Hannity,

Page 6

1 which garnered 3.5 million viewers with 550,000  
2 in the key demo of ages 25 to 54, compared to  
3 Biden's just 306,000, and that's not even  
4 counting online.

5                   The lamestream media may still not see  
6 the significance or value of the Trump voter, but  
7 they do see their ratings and they don't like  
8 what they see there either. We've tuned out the  
9 hosts, tuned out their guests, the Democrats, the  
10 so-called experts, the RINOs.

11                  And so now, they're trotting out those  
12 who once identified as being one of us, whether  
13 it's former Attorney General Bill Barr, Tom  
14 Brady, or Bob Dole, as if them telling us  
15 something now will make us drop everything we  
16 know to be true simply because they say it. But  
17 don't they get it? Saying something over and  
18 over again make get some to begin to believe in a  
19 big lie, perhaps not because they believe in it,  
20 but because it's easier not to speak the truth to  
21 it.

22                  But we're not some people. We're we  
23 the people: 51 percent of us believe cheating  
24 affected the outcome of the last election; that's  
25 a majority. It may not make us popular or go

Page 7

1       viral; in fact, more likely than not, it makes us  
2       a target. But that's what makes you and me Trump  
3       supporters, because we join with President Trump  
4       in saying we will not bend, we will not break, we  
5       will not yield, we will never give in, we will  
6       never give up, we will never back down, we will  
7       never ever surrender.

8                   And by the way, we don't just say it;  
9       we live like it, not just for one or two chapters  
10      of our stories, but from cover to cover and that  
11      is the real story.

12                  Joining us now is someone who never  
13      backs down: America's Mayor and host of the  
14      Common Sense podcast, Rudy Giuliani. Mr. Mayor,  
15      first of all, your reaction to Bob Dole's remarks  
16      that there's nothing to see here.

17                  RUDY GIULIANI: Since he's never looked  
18      at it, I have no -- it's a ridiculous remark. I  
19      have great respect for Bob Dole. I feel almost  
20      as if he's put a knife in my back because I know  
21      him well and he trusts me, supported me when I  
22      ran for president. He knows I'm a very careful,  
23      very good lawyer.

24                  He bet against me once before -- this  
25      is kind of interesting -- but back in 1988 during

Page 8

1 the primaries, I brought a RICO case against the  
2 entire Teamsters Union to displace the entire  
3 management of the Teamsters. The Republican  
4 Party went crazy because it was the only  
5 Republican union. Something like 140 members of  
6 Congress asked President Reagan to fire me, all  
7 the presidential candidates -- Democrat and  
8 Republican agreed --including Dole and Jack Kemp.  
9 The only one who supported me was Vice President  
10 Bush. He said I work with Rudy Giuliani, he's an  
11 honest man. I wouldn't bet against him, he's a  
12 great lawyer.

13 Well, you know, we won the case. The  
14 Teamsters Union, all the Mafia people were thrown  
15 out. We took Central State's pension fund away  
16 from them. We've cleaned up Las Vegas. And if  
17 you'd listened to Bob Dole, they'd still be  
18 there, so Bob is not the best predictor of legal  
19 results.

20 The simple fact is that Bob Dole should  
21 have had the decency to ask me, send me some of  
22 your support if you have any.

23 NATALIE HARP: Right.

24 RUDY GIULIANI: I'd say how many do you  
25 want: you want 10 affidavits, or you want 20,

Page 9

1 would you like 50, can you handle 300? Would you  
2 like a couple of tapes in which they admit it?  
3 Do you want me to have you talk to a couple of  
4 people that are there that were pushed away and  
5 all of a sudden, these ballots were brought in,  
6 and they all were Biden?

7 How about one guy stood there for a  
8 couple of hours and there was something, like,  
9 20,000 ballots that were counted and they were  
10 all but about five for Biden, and they looked  
11 like they had never been folded?

12 How about the videotape that I have  
13 where they're shoving the thing into the machines  
14 three and four times so they can be recounted by  
15 the same two women that earlier in the day were  
16 passing around hard drives or flash drive that  
17 supposedly can't be used in Dominion machines,  
18 but can?

19 NATALIE HARP: Right. We have this  
20 proof --

21 RUDY GIULIANI: So, I mean, I know  
22 we've lost the spin war, but we haven't lost the  
23 truth war. I have the truth.

24 NATALIE HARP: Right.

25 RUDY GIULIANI: And the reason they're

Page 10

1 persecuting me -- they are, trying to take away  
2 my law license, trying to destroy my future,  
3 trying to bankrupt me, trying everything they can  
4 -- is because they know I know more about them  
5 than anyone. I'm the one who got the hard drive  
6 also.

7 NATALIE HARP: Right.

8 RUDY GIULIANI: It was given to my  
9 lawyer, Bob Costello, for me because the man had  
10 lost confidence in everyone else, including  
11 Republicans that he sent it to who never did a  
12 damn thing with it.

13 NATALIE HARP: Because you never back  
14 down, Mr. Mayor, that's why.

15 RUDY GIULIANI: I was his last hope.

16 NATALIE HARP: You never back down and  
17 that's why they're so afraid of you.

18 RUDY GIULIANI: And they know I have --  
19 they know I have the evidence and they are trying  
20 to shout it down, they're trying to censor it  
21 away, and I put it out on my podcast. And if  
22 people want to see it, everything I just said on  
23 those podcasts, I'm going to show you a document  
24 that supports it.

25 When I say that Hunter Biden should be

Page 11

1       in jail for money laundering, I can show you the  
2 documents that go from Ukraine to Latvia, Latvia  
3 to Cypress disguised as a loan and then end up in  
4 his bank account with a little notation, \$900,000  
5 to this for Joe. Joe has been getting money from  
6 Hunter for 30 years. We have a complete crook in  
7 the White House.

8                     NATALIE HARP: And that's why it's no  
9 surprise --

10                  RUDY GIULIANI: We have a 30-year crook  
11 in the White House with a crime family supporting  
12 him, which is why --

13                  NATALIE HARP: And that's why they did  
14 it in November, right? They have a history of  
15 doing this.

16                  RUDY GIULIANI: Well, if you can take  
17 money from the mayor of Moscow's wife, who's one  
18 of the biggest crooks in Moscow, if you can work  
19 for one of the world oligarchs in Ukraine who was  
20 probably the most dangerous and the most crooked  
21 oligarch in Ukraine who was paying the Bidens, if  
22 you can work with the spy master of the Chinese  
23 Communist party, which Hunter admits to, well,  
24 then why wouldn't you fix an election?

25                  NATALIE HARP: Right.

Page 12

1                   RUDY GIULIANI: I mean, where's the big  
2 moral difference?

3                   NATALIE HARP: No, you're right.

4                   RUDY GIULIANI: Joe Biden sold his soul  
5 30 years ago when he took the first damn bribe  
6 that his brother got for him as a lobbyist. Now  
7 he's going to meet in a month with the president  
8 of Ukraine. That meeting is going to be an  
9 embarrassment to the United States because  
10 everyone in Ukraine will be laughing.

11                  NATALIE HARP: Right.

12                  RUDY GIULIANI: He's going to tell them  
13 that Ukraine should be more -- should be less  
14 corrupt and everybody in Ukraine is going to say  
15 you walked out of here with \$8 million bucks for  
16 starters.

17                  NATALIE HARP: You can't make this  
18 stuff up. And, yet, this is what they do. It's  
19 so frustrating.

20                  RUDY GIULIANI: For his son, if he came  
21 there, they wouldn't be able to keep him away  
22 from the drugs and prostitutes. I mean, the guy  
23 has a -- and I'm attacking Hunter. I feel sorry  
24 for Hunter. I attack Joe Biden because Biden is  
25 a miserable father. You got a son who's 19-20

Page 13

1 years old, he shows possibilities of being  
2 addicted, you don't put him in business with the  
3 biggest crooks in the world. You're going to  
4 make him a much worse drug addict.

5 NATALIE HARP: Well, now he's selling  
6 his artwork, Mr. Mayor. This weekend, he's  
7 wining and dining all of these art dealers that  
8 then they're going to be anonymous. Like, we're  
9 really going to believe that, but it's so sad.

10 I just want to thank you. The American  
11 people really are so proud of you and the work  
12 that you're doing out there. You kept fighting,  
13 you've never backed down.

14 RUDY GIULIANI: Well, thank you, and  
15 we're very proud of you. You are terrific. Your  
16 show is fabulous.

17 NATALIE HARP: Thank you, Mr. Mayor.  
18 That means a lot really. God bless you. We know  
19 He's with you because you don't back down and I  
20 know you get hit on a lot of sides, but really,  
21 you know where it counts. God sees. God sees  
22 the heart on this and in the end, He will make  
23 things right.

24 So God bless you and we'll see you  
25 soon.

Page 14

1 RUDY GIULIANI: You're absolutely  
2 correct, 100 percent, Natalie.

3 NATALIE HARP: He will. He will.

4 RUDY GIULIANI: And you do a great job.

5 NATALIE HARP: Thank you. God bless  
6 you, Mr. Mayor.
